

Main Concept C: CommuniOlympics

Overview

CommuniOlympics is a digital platform and toolkit enabling communities to organize local Olympic-style events between international editions.

Key Features

1. Event Planning Wizard: Step-by-step guide for organizing multi-sport events
2. Resource Matcher: Connects organizers with local venues, volunteers, and equipment
3. Customizable Sports Menu: Allows inclusion of traditional and locally popular sports
4. Virtual Torch Relay: Digital engagement tool to build excitement pre-event
5. Results and Medal Tracker: Live scoring and leaderboard functionality

Potential Impact

- Maintains Olympic spirit between official games
- Promotes local sports development and facility utilization
- Encourages community building and physical activity
- Provides platform for emerging athletes to showcase skills
- Adapts Olympic concept to diverse cultural contexts
